

Designers of Nomura have been honored with Sky Design Awards 2020

As one of Japan's foremost facilities and event space creators, [NOMURA Co.,Ltd.](https://www.nomurakougei.co.jp) is passionate about helping make the world a better place for future generations.

Tokyo - Sky Design Awards (SDA) 2020 has named three projects Nomura has worked on, in which Nomura's designers led master planning of architectural and interior design.

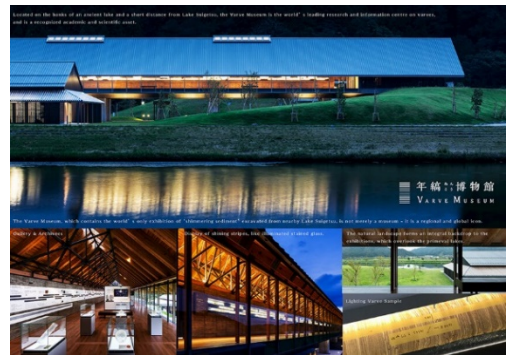

The SDA are in Architects, interior Design and visual design categories, with the key considerations for the quality of design and execution presented in Originality and creativity, Appearance, Constructability, Commercial value, and Sustainability.
